WHAT ARE THE CHARACTERISTICS OF A VIBRANT CLUB?

We know a vibrant club when we see one, but the factors that make it vibrant are not always obvious.

- ✓ A growing membership
- ✓ Diverse members
- ✓ Strong leadership
- ✓ Happy and involved members
- ✓ Active projects that meet community needs.

WHAT COMMON BARRIERS DO CLUBS FACE THAT KEEP THEM FROM BEING VIBRANT?

Helping a club move from surviving to thriving, requires it to be open to change and including different perspectives.

Using proven membership strategies along with flexible alternatives can create a path to a club becoming more vibrant.

- ✓ Stale ideas
- ✓ Boring meetings
- ✓ Fear of change
- ✓ Club politics or the formation of small, exclusive groups within the club
- ✓ Not enough members for the club roles and volunteer work
